

Hatherop CofE Primary

PE Curriculum

Caring-Believing-Achieving

INTENT

To develop fitness and health awareness

To develop physical, social, and emotional development through a range of sports

To understand the value of competition and sportsmanship

To encourage inclusivity, challenge, and teamwork within a sporting environment

To understand rules, decision making, strategies and tactics

To develop a wide range of skills safely and broaden movement vocabulary

IMPLEMENTATION

Pupils participate in two x 1hr high quality PE lessons each week, covering two sporting disciplines every half term. In addition, children are encouraged to participate in extra-curricular activities.

We provide challenging and enjoyable learning through a range of sporting activities including; invasion games, net & wall games, strike and field games, fitness, athletics, gymnastics, dance, swimming and outdoor & adventure.

The curriculum map sets out the PE units which are to be taught throughout the year and ensures that the requirements of the National Curriculum are fully met.

All staff can access the Get Set 4 PE platform which has a vast array of resources including schemes of work, lesson plans, progressions, demonstration videos, rules, assessment tools in over 20 sports from EY to Yr6 Yr 4 also have swimming lessons for 3 terms at a local indoor pool

We are part of the Cotswold School Sport Network and regularly participate in the School Games inter school events as well as local fixtures

Each year Year 6 children are invited to become Sports Leaders for the school. They develop into sporting role models for the younger children, assisting with lunch-time clubs, our annual Sports day and any other sporting activities.

We apply annually for the School Games Mark and hold Sports Mark Gold for the 4th year.

IMPACT

Pupils enjoy PE and are confident and safe in a wide range of skills and sports

Pupils can work independently and aspire to achieve to the best of their ability

Pupils can lead a warmup, work in pairs, small groups, work as part of a team, lead a team

Pupils progress from basic, fundamental skills in EYs to advanced techniques by Yr5/6.

Eg in ball skills the progression is basic throwing and catching to the more technical shooting, passing, and tactical skills in most 6 v 6 invasion games. In gymnastics the progression is from basic twisting, turning, jumping to short routines and then partner work and use of large gym equipment. This is in line with their physical, social and emotional development.

All KS2 have experienced success in inter school competitions, often winning competitions against other schools within the Cotswolds and Gloucestershire.

Pupils have the knowledge and confidence to attend local clubs within the community such as football, rugby, cricket, gymnastics.

We equip our children with the necessary skills and a love for sport. They will hopefully grow up to live happy and healthy lives utilising the skills and knowledge acquired through PE.
